## SAYS SESSION TO BE STORMY

AT SESSION OF GERMAN REICHSTAG WHICH OPENS TOMORROW, VOTE OF NO CONFIDENCE IN CHANCELLOR IS EXPECTED

### United Press Service.

BERLIN, Sept. 27.—A stormy session is expected to begin when the reichstag meets tomorrow.

It is definitely known that an effort will be made by some of the members to secure a vote from the reichstag of no confidence in Chancellor Bethmann-Hollweg.

A certain element in the reichstag is opposed to the chancellor because of the foreign policy of the government. The agitation against him became worse when Rumania declared war against the central powers, many people believing that good diplomacy could have averted this.

## W.C.T.U. STUDY THE AMENDMENTS

OFFICERS ARE INSTALLED AND VICE PRESIDENTS OF UNION NAMED AT REGULAR MEETING YESTERDAY AFTERNOON

From now until November 7th the local Women's Christian Temperance Union will devote all its time to a study of the constitutional amendments to be voted on, and the candidates for state and county offices, according to announcement by Mrs. B. S. Grigsby.

## JOHNSON LEAVES TO SEE SPROULE

MEMBER OF LOCAL RAILROAD COMMITTEE GOES TO SAN FRANCISCO TO ARRANGE FOR INTERVIEW WITH S. P. HEAD

To attend to private business and arrange with President Wm. Sproule of the Southern Pacific for an interview, Robert A. Johnson left today for San Francisco. When the interview is arranged for, Mr. Johnson will telegraph for W. C. Dalton and J. Frank Adams, the other members of the Klamath committee.

The committee wants to see President Sproule about construction of the Modoc Northern railroad from Klamath Falls south to the California line. It is believed that when the reasons for building this road are fully understood that the Southern Pacific will order its construction. Chief Engineer Hood is understood already to be in favor of the work at this time.

Mr. Johnson tried to arrange the interview when he was in San Francisco recently, but was unsuccessful because President Sproule was in Oregon, appearing before the public service commission on the shortage of freight cars on Southern Pacific lines in Oregon.

## A CLIP BREAKS; CAR IS DELAYED

SIX REPUBLICANS AND A DEMOCRAT ENCOUNTER TROUBLE ON FORT KLAMATH TRIP AND DEMOCRAT IS BLAMED

A democrat is charged with causing the whole trouble. He was the only democrat in the party, he weighs around the 200 mark, and he was sitting on the left side of the car when

the accident happened. To what else could one lay the blame?

It all happened yesterday afternoon about four miles out on the Fort Klamath road when the left spring clip which goes over the axle broke. For two and a half hours nine men, brave and true labored and sweat, and one, 'he one who sweat most and labored least, was actually heard to cuss. At ten minutes of six the break was patched with the aid of a chain, and part of the party went on to Ft. Klamath to attend the republican rally and shake hands with the Wood river precinct voters.

The car belonged to Sheriff C. C. Low and his passengers were C. K. Brandenburg, Thad McHattan, A. M. Sutton, Forrest Cary Pell, C. R. DeLap and the lone democrat, William M. Duncan. R. E. Wattenburg came along, bound south, and then and there McHattan and Duncan deserted the party. DeLap did the same stunt when Glenn Johnson came along. The other four stayed with the ship, returning last night after the rally.

The northeast quarter of northeast quarter of section 1, township 39 south, range 9 east, has been purchased from Verna V. Tompkins by G. O. Hamson.
